Bachelor of Interior Design (Commercial)

'bills' in Burleigh

A new location for 'bills' in Burleigh Heads. The new 'bills' on the Gold Coast is the ideal place for the locals, after a morning surf, through to the whimsical tourist on a relaxing holiday. 'bills' in Burleigh is the perfect place to relax and listen to the sounds of the melodies of the sea.

Inspired by the coastal Australian lifestyle the interior, whilst maintaining its authenticity and aesthetics, is an exciting new take of the well loved of 'bills'. The space stays connected to existing 'bills' though the colour selection, Pierre Jeanneret seating and references to mid-century modern design.

The feature elements of the space are inspired by the beach as the ceiling mimics the sea with a geometric structure, with rose tinted mirror and plywood surfaces. The ocean washes ashore sea shells though terrazzo flooring waving along the edges of the bar area.

'bills' in Burleigh feels like the 'bills' you already know and love but with a Gold Coast twist.
